MORNING, AFTERNOON AND NIGHT.
BRIGHT COFFEE GENERATES MOST OF ITS REVENUE IN THE MORNING.

INSIGHTS: REVENUE PER PRODUCT CATEGORY.
THE GRAPH SHOWS THAT COFFEE IS THE MOST BOUGHT BEVERAGE
ACROSS ALL 3 LOCATIONS.

Recommendation

- Prioritize building customer loyalty through rewards programs. i.e. Giving a customer a free cup of coffee after a certain number of purchases
- Boost visibility in low performing locations by having random pop-up stores
- Create a working space/social hub where customers may utilize your space for a quick on the go meeting.
- Include a delivery service / Mobile coffee barista to ensure that the customer's order preserves its quality.
